### Topic

### Action

#### 1. Blue Badge holders

1. Alison expressed concern over potential abuse of keys about to be issued to blue badge holders, i.e.
  - Continued unnecessary use of tracks
  - Loaning key to non blue badge holders
2. Agreed would
  - Raise at next HRAA Committee meeting Richard/John
  - Review to see if actually becomes a problem All

#### 2. Miscellaneous

1. Access routes to certain plots (marked on allotment plan prepared by HRAA) were discussed. In view of current access problems for tenants of plot 85 the existing arrangement was noted, it was suggested that if willing the tenant could be offered plot 84 if that becomes available at some point in the future Alison
2. Larger water tanks will be fitted next season to replace current small tanks Alison
3. Roger to also place second supply of woodchips at other end of site Alison
4. New plots on adjacent field will be protected from dog walkers by chicken wire fence while natural hedging is growing All
5. Concern expressed by Richard that new plots near site entrance will be unworkable due poor drainage, agreed to review in future Alison
6. Where existing full plots are split for new occupants, discussion between HRAA & Roger requested before commitment made so best outcome achieved Richard
7. HRAA Committee members invited to SITC mince pies & wine on Fri 18-Dec from 14:00 to 16:30
